

Natural Bathroom - MYO (mix-your-own)

1. Scouring powder

- 50 g/ 2 oz Bicarbonate Soda
- 1 tbsp/ 15 g Citric Acid
- 1 tsp/ 6 g corn starch or any other vegetable starch such as potato starch

Add water to make a cleaning paste.

2. Bathroom limescale cleaner

- 500 ml/ 18 fl oz lukewarm water
- 50 g/ 2 oz Citric Acid
- 1 tsp/ 5 ml liquid soap
- 5-10 drops essential oil of your choice

Mix water with citric acid, shake, add liquid soap and add essential oil of your choice.

3. Drain cleaner

- 75 g/ 3 oz of baking soda
- 250 ml/ ½ pint vinegar

Leave for 15 min and rinse with hot water

Use the good old plunger and a sieve cover on the plug hole to minimize build-up.
