

Natural bathroom - Toilet MYO (Mix-your-own)

Toilet cleaner

- 2 tbsp/60 g / 1/8 cup vegetable starch such as potato starch
 - 2 tbsp/60 g/ 1/8 cup citric acid
 - 10 ml /2 tsp liquid soap
 - 500 ml /18 fl oz cold water
 - 100 ml /4 fl oz boiled water, cooled down
1. Dissolve citric acid in 100 ml cooled, boiled water
 2. Mix vegetable starch into 500 ml cold water and bring to the boil
 3. Add 10 ml liquid soap
 4. Mix all ingredients together and add 5-10 drops of essential oil

Fill up an old bottle with your cooled down, home made toilet cleaner. Shake well before use.
